SUMMARY

Media and AI solutions strategist with **10+ years** converting complex data and technology into commercial results for **Visa, BMO, American Express, and Coca Cola**. Repeatedly pilots products from test to scale, taking an **AI powered audience solution** from a **2 brand pilot to 100% adoption across 10 portfolios** and building **production AI agents** that cut insight cycles from **weeks to days**. **Primary strategic contact to brand leadership**, with full fluency across the measurement stack of **MMM, attribution, and privacy safe data**. Experience inside **WPP through GroupM**, currently working within **IAT teams at Coca Cola**. Marketing Instructor at Schulich School of Business and University of Toronto.

PROFESSIONAL EXPERIENCE

Strategy Manager | Publicis Groupe (Coca Cola Canada) Aug 2025 to Present

- **Solution design & adoption:** piloted **Connected Identity**, a **CDP powered AI audience solution**, with 2 brands to test positioning, then scaled it to all **10 portfolios (100% adoption)**, designing the high level deployment and tailoring the **ROI narrative** to each brand's objectives.
- **AI & agentic solutions:** built **2 production AI agents** (trend analyzer, campaign roadmap tracker) cutting trend to insight cycles from **2 to 3 weeks to 2 to 3 days**; trained **12 strategists, then ~300 employees**, translating **AI and machine learning** capabilities into plain language business value.
- **Client partnership & advisory:** primary strategic contact presenting to **Coca Cola global and NAOU charter executives**; standing advisor on **Data, Audience and AI initiatives** across brand, agency and vendor partners.
- **Campaign partnership & escalation:** own **14+ campaigns a year** from brief to on time launch with media buyers, planners, business development, data, creative and vendor teams; proactively identify and **escalate delivery roadblocks** across concurrent portfolios.
- **Performance & value articulation:** shopper program brand metrics (top of mind, preference, purchase intent) improved by **at least 33%**; present results and solution ROI to **CMO level leaders** and global executives.

Senior Digital Strategist (promoted from Digital Strategist) | UM Canada Mar 2022 to Mar 2025

- **Measurement solutions:** built **MMM and multi touch attribution** frameworks unifying platform, CRM and offline sales data for **board level decisions**; designed **privacy safe, cookieless measurement** approaches ahead of regulatory deadlines.
- **Thought leadership:** wrote client **one pager POVs** on industry issues (**Bill C11**, elections, trade) and contributed to a UM Canada **Medium article** on Bill C11.
- **Results & recognition:** media strategist on award winning BMO campaigns, **12% CTR lift and 18% ROAS growth** on the Gen Z launch; **3 Golds (2024 Media Innovation Awards)**; **2 Silver awards (2024 Strategy Awards)**.

Earlier roles: Digital Strategist, dentsu international (Apr 2021 to May 2022) • Associate Account Manager, GroupM, WPP (Aug 2019 to Apr 2021) • Business Analyst, Merkle Sokrati (Aug 2017 to Mar 2018)

Associate Professional, L2 Technical Support | DXC Technology (Visa Inc.), Bengaluru Oct 2014 to Apr 2017

- **Technical depth: L2 escalation point for Visa across 200 servers**; resolved a **Prime Day transaction drop**, built an alert for any **50% drop within 5 minutes**, and wrote a **Shell script cutting resolution time by 75%**.

Marketing Instructor | Schulich School of Business; University of Toronto SCS 2023 to 2024; 2025 to Present

- Teach **Social Media Marketing and AI Marketing**, applied thought leadership in data driven marketing and emerging AI.

PROJECT BUILT

AI Product Intelligence Platform | Personal project 2023 to 2024; 2025 to Present

- Building an **AI platform** that analyzes customer feedback, competitors, and market trends to **prioritize product opportunities**.
